

At the Window

medium

dark - blue, black, or brown

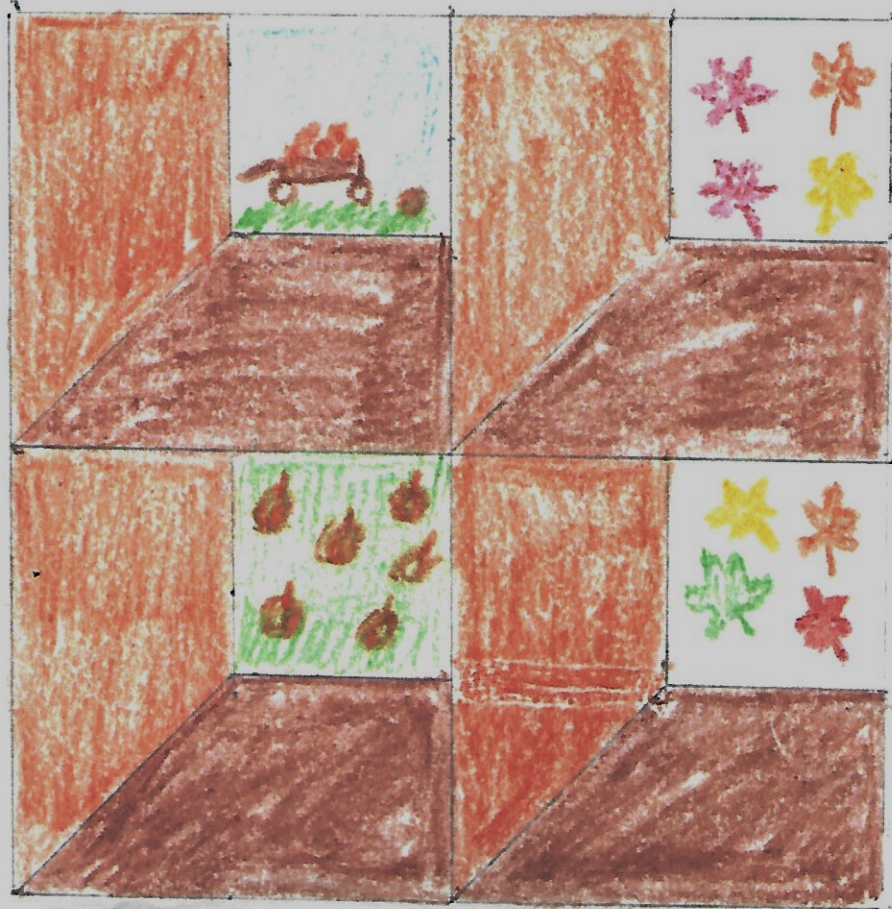

fall scenery

Cutting:

Cut (4) $6\frac{1}{2}'' \times 3\frac{1}{2}''$ rectangles
of dark fabric

Cut (4) $6\frac{1}{2}'' \times 3\frac{1}{2}''$ rectangles
of medium fabric

cut (4) $3\frac{1}{2}''$ squares
of fall scenery

Piecing:

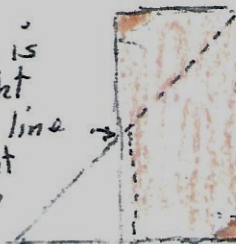

With right sides together and aligned at right end, sew a long edge of the medium rectangle to the side of the square stopping $\frac{1}{4}''$ from the end of the square.

Fold back the unstitched part of the medium rectangle and add the dark rectangle to the bottom edge of the square in the same way.

Fold block so medium rectangle is on top of dark rectangle right sides together. Draw a diagonal line from the stitching to the top right corner. Pin together and sew along line starting at the corner where the three fabrics meet. Trim excess fabric to $\frac{1}{4}''$. Press diagonal seam open and other seams away from square.

Block measures $6\frac{1}{2}''$. Make 3 more squares. Sew together as shown.
