

# 4<sup>th</sup> of July Pinwheel

## Cutting:

dark red

(2)  $6\frac{1}{2}'' \times 3\frac{1}{2}''$  rectangles

light red

(2)  $6\frac{1}{2}'' \times 3\frac{1}{2}''$  rectangles

dark blue

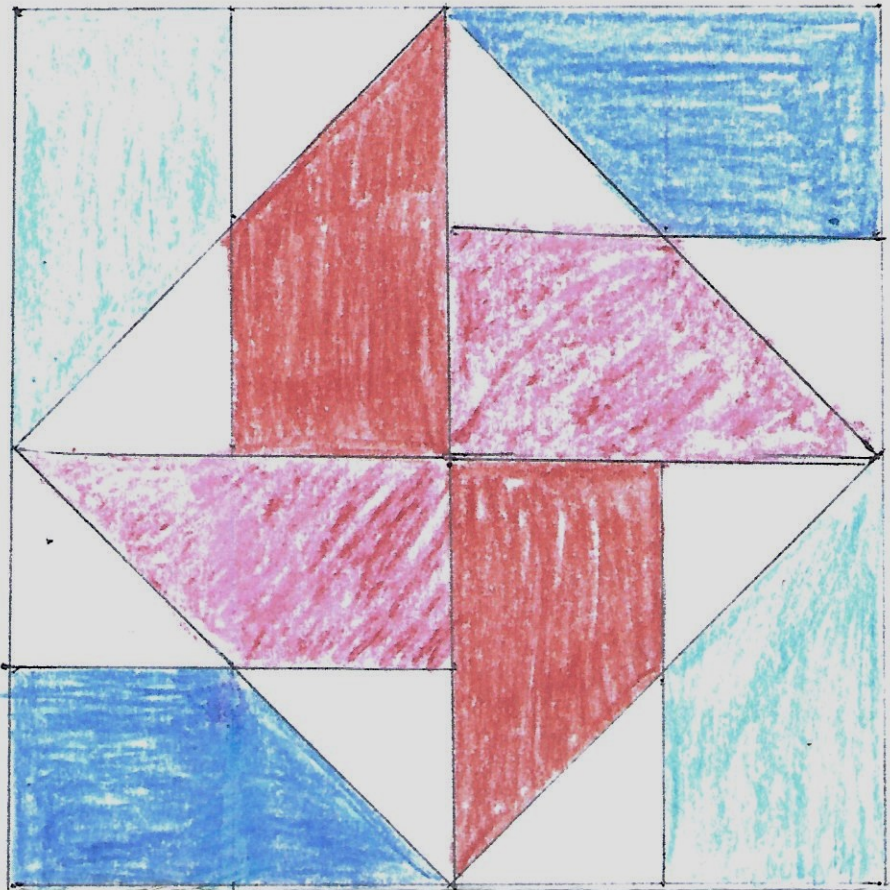

(2)  $6\frac{1}{2}'' \times 3\frac{1}{2}''$  rectangles

light blue

(2)  $6\frac{1}{2}'' \times 3\frac{1}{2}''$  rectangles

white

(8)  $3\frac{1}{2}''$  squares

## Piecing

On the wrong side of the  $3\frac{1}{2}''$  white squares draw a diagonal line.

Put right sides together on top of each blue and red rectangle as shown.

Sew on line. Press seam to white triangle and trim seam to  $\frac{1}{4}''$ .

Make the rectangles into 4 patches. For the top left and bottom right use a light blue rectangle and a dark red rectangle.

For the top right and bottom left patches use the light red rectangles and the dark blue rectangles. Sew patches together as shown. Block should measure  $12\frac{1}{2}''$
